

Company Overview

Akshar IT Solutions (dba Akshar Staffing) specializes in creating and providing top-notch staffing and workforce solutions by connecting businesses with the most talented candidates globally. Akshar was founded on the philosophy of “In the joy of others, lies our own,” and utilizing this ideal we have helped support the growth of both our private and public sector clients. Today, Akshar leverages our broad roster of subject matter experts (SME’s), who employ their vast market knowledge and industry experience, strategic partnerships, professional assessments of the labor market and analysis of hiring trends to ensure our customers are always meeting the most qualified candidates. We are proud of our award-winning reputation that comes from working diligently to ensure we meet our client’s needs by providing valuable, efficient, and innovative solutions. We are headquartered in San Antonio, Texas and have a second office in Houston, Texas. With our network of offices, Akshar Staffing is a scalable and balanced enterprise that can meet the workforce requirements of any private or public sector client.
